MESSAGE FROM THE PRESIDENT

I am very glad to have this opportunity to wish the members of the St. Michael's community well. To those students graduating this year, in particular, go my best wishes for the future.

In years to come this book will serve to remind you of the things that have made St. Michael's special for you - your friendships, studies, activities and sports.

It will also act as a visual record of the 1994-1995 academic year which has seen the beginning of an ambitious College programme of campus renewal with the first phase being the complete renovation of Clover Hill, the oldest building (1856) in continuous academic use at the University of Toronto. Above all, Windrose for 1995 will in future years bring back to you some of the spirit of St. Michael's, a spirit which I hope will be with you always. All good wishes and God's blessings be with you.

FR. ROBERT MADDEN C.S.B.

DIRECTOR OF ALUMNI AFFAIRS

PRINCIPAL'S MESSAGE

The faculty of St. Michael's College are proud of the achievements of our students. On behalf of my colleagues and on my own behalf, I offer congratulations and best wishes to the St. Michael's College graduating class of 1995. Knowing you and working with you has been very good. Windrose allows our expressions of solidarity and good wishes to have a kind of permanence. That is a great service to the community, which Windrose carries out with intelligence and style. My thanks to the editors and staff of Windrose for their special contribution to the ongoing life of St. Michael's College.

SR. MECHTILDE O'MARA C.S.J.

VICE-PRESIDENT (ADMINISTRATION)

FR. MADDEN SPEAKS

A yearbook is like a time machine. The Windrose '95 you hold in your hands today is a record of the events and of the people of this present 1994-1995 St. Michael's academic year. As you hold it in your hands years from today, it will transport you back to what then will be your past. It will be, hopefully, a picture gallery of many St. Michael's companions who will still, in those future years, be among your closest friends. May Windrose '95 also be, in those future years, a cherished reminder of past years that were among the happiest of your life. May those who are going from St. Michael's in the Class of 9T5 never leave St. Michael's. You will be in our thoughts and prayers; remember us, and know that you are welcome whenever you can come back.

As you flip the pages of this edition of the Windrose, we hope that you are flooded with many fabulous memories . . . Friday night pubs, playing briscola in the lounge, late night studying, and athletic victories. St. Michael's offers its students a unique and memorable experience, and for this reason, the years spent at SMC will be cherished for a lifetime.

St. Michael's fosters a strong sense of community from which we form lasting friendships. St. Mike's also offers its students many challenges. Whether they be of an academic, social or spiritual nature, these challenges are met with vigour and vitality.

For those of us at SMCSU, it has been a year of learning, growth and discovery. On behalf of this year's council, it has been both a pleasure and an honour to serve the students of this college.

To the class of 9T5, we extend our personal congratulations and we wish you every continued success. It is our hope that all of us can take the spirit of the SMC community and incorporate it into all future endeavours in which we engage, and all future communities of which we are a part.

All the best,

Editor-In-Chief Windrose '95

All orientation pictures taken by Maryjo Rizzo

A special thanks goes out to all who made this yearbook possible. Eva Bartha for her spectacular cover art and division pages, Rania Shuggi for her photography, Mike Lee-Poy and Janet Loo for doing layouts on a moments notice, Bill Moreau for typing and submitting crazy Bellisle pics, Brad Morrison and SMCSU for all their support, Sam Lee and the Mike for more photographs, Heather Harper for getting me involved in the first place, and Diana and Candice for trying not to get involved in ear-boo for a third year in a row. The road was long and rough, but I have finished the race and kept the faith. St. Mike's this Windrose is for you. Enjoy the memories.

noranda

At our 18 mines and 10 smelters and refineries, Noranda's people share a common vision.

That is to be the premier exploration, mining and metals company — a company committed to meeting our responsibilities to employees, customers and the environment.

This commitment has helped us become Canada's premier integrated mining, smelting and refining company. Our technical advances in exploration, mining, metallurgy and recycling along with our excellent customer-focused business teams give us a competitive edge — the edge we need to succeed in the zinc, copper, nickel and gold business.
